

Become a Fire District Commissioner: Ignite Your Community's Safety!

Are you passionate about community safety? Do you want to make a real, tangible difference?

Consider becoming a Fire District Commissioner! This vital role allows you to directly influence the protection and well-being of your neighbors and loved ones.

Why Serve as a Fire District Commissioner?

- **Direct Impact:** You'll play a crucial role in shaping the policies and direction of your local fire department, ensuring they have the resources and support they need to respond effectively.
- **Community Leadership:** Become a respected leader within your community, working alongside dedicated firefighters and fellow commissioners.
- **Fiscal Responsibility:** Oversee the district's budget, ensuring taxpayer dollars are used efficiently and effectively to provide essential fire and emergency services.
- **Strategic Planning:** Contribute to long-term planning, anticipating future needs and ensuring the district remains prepared for any eventuality.
- **Meaningful Service:** Experience the deep satisfaction of knowing you're contributing to a safer community for everyone.
- **Learning and Growth:** Gain valuable knowledge in public administration, emergency services, and community governance.

What Does a Fire District Commissioner Do?

- Develop and approve the district's annual budget.
- Establish and enforce policies related to fire protection and emergency services.
- Oversee the maintenance and acquisition of equipment and facilities.
- Hire and supervise the fire chief and other administrative staff.
- Negotiate and approve contracts.
- Represent the district in community meetings and intergovernmental affairs.
- Ensure that the Fire District is in legal compliance with all applicable laws and regulations.

Who Can Be a Fire District Commissioner?

- Residents of the fire district.
- Individuals with a commitment to public service.
- People with diverse backgrounds and skill sets.
- Those who are willing to dedicate time to meetings and district activities.

Your Community Needs You!

Fire District Commissioners are essential to maintaining a strong and responsive fire service. Your leadership can make a significant difference in the lives of your fellow citizens.

Take the First Step!

- Learn More: Contact your local fire district office for information about upcoming elections and the responsibilities of a commissioner.
- Attend Meetings: Observe a fire district meeting to see the commissioners in action.
- Get Involved: Inquire about volunteer opportunities within the fire district.
- Run for Office: If you're ready to serve, file the necessary paperwork to become a candidate.
